-:Qualifications:-

Posts	**Academic Qualification**	**Teaching & Research Experience**
Professor	MD/MS/DNB in the concerned subject.	a) (i) Associate Professor in the subject for three years in a permitted/ recognized medical college/ institution or (ii) Specialist Medical Officer of the Armed Forces having at least three years of experience as Associate Professor in the relevant speciality in a teaching hospital of the Armed Forces; and b) (i) have at least two Research publications after becoming Associate Professor and must be amongst the first three authors; [only original papers, meta-analysis, systematic reviews, and case series that are published in journals indexed in Medline, PubMed, Central Science Citation Index, Science Citation Index, Expanded Embase, Scopus, Directory of Open Access Journals (DoAJ)] will be considered. (ii)have completed the Basic Course in Biomedical Research from a recognised medical institution; and (iii) shall be required to undergo Basic Course in Medical Education provided their broad specialty subject is covered under undergraduate training. **Note:** A Senior Consultant, having three years of experience as post graduate teacher of broad specialty or super specialty subject in the National Board of Examination in Medical Sciences recognised Government medical institute shall be eligible to become Professor in a recognised medical institution of the concerned specialty and total number of years of experience as Post Graduate teacher in National Board of Examination in Medical Sciences recognised government medical institute shall be considered as experience as Professor in a recognised medical institution.

Associate Professor	MD/MS/DNB in the concerned subject.	(a) (i) Assistant Professor in the subject for four years in a recognised medical institution or for five years for those appointed directly as Assistant Professor in Government medical institution; or (ii)A Specialist Medical Officer of the Armed Forces, having at least five years of clinical experience in the relevant specialty after obtaining the recognised Postgraduate qualification in the subject, of which at least three years teaching experience as Assistant Professor in a teaching hospital of the Armed Forces; and (b) (i))have published at least two Research publications after becoming Assistant Professor and must be amongst the first three authors; [only original papers, meta-analysis, systematic reviews, and case series that are published in journals indexed in Medline, PubMed, Central Science Citation Index, Science Citation Index, Expanded Embase, Scopus, Directory of Open Access Journals (DoAJ)] will be considered. (ii)have completed the Basic Course in Biomedical Research from a recognised medical institution designated by the Commission; and (iii)Shall be required to undergo Basic Course in Medical Education provided their broad specialty subject is covered under undergraduate training. **Note:** A non-teaching Consultant or Specialist or Medical Officer, possessing postgraduate medical degree with ten years of experience in at least 220 bedded Government hospital shall be eligible to become Associate Professor of that broad specialty and on such appointment, shall be required to undergo Basic Course in Medical Education and Basic Course in Biomedical Research within two years of the appointment.
Assistant Professor	MD/MS/DNB in the concerned subject.	(a) One year as Senior Resident in the concerned subject as specified in regulation 8 in a recognised medical institution. **Note 1:** The requirement of one-year Senior Resident experience is relaxed for those appointed directly as Assistant Professor in Government medical institute immediately before the publication of these regulations. **Note 2:** The experience gained by a Tutor in a medical institution of his specialty, having a postgraduate degree, shall be considered equivalent to the experience required as a Senior Resident for the purpose of eligibility for the post of Assistant Professor. **Note 3:** The experience gained by a Demonstrator in a medical institution of his specialty, having a Master of Science and Doctor of Philosophy degree, shall be considered equivalent to the experience required as a Senior Resident for the purpose of eligibility for the post of Assistant Professor; or (b) Specialist Medical Officers of the Armed Forces having at least one year teaching experience or two years of clinical experience after obtaining the requisite postgraduate qualification in the

		concerned subject. (c) A non-teaching Consultant or Specialist or Medical Officer, possessing postgraduate medical degree with at least two years of experience in a Government hospital having at least 220 beds shall be eligible to become an Assistant Professor of that broad specialty without the requirement of experience as Senior Resident and shall complete the Basic Course in Biomedical Research within two years of appointment; or (d) Diploma holders appointed as Senior Residents in a recognised medical institution before 08.06.2017 having total experience of four years as Senior Resident; or (e) Diploma holders working as Specialist or Medical Officer in the respective departments of a government medical institution or Government medical institution running National Board of Examination and Medical Science recognised teaching programme having cumulative experience of six years.
Note- 1- 30% of the faculty in Anatomy, Physiology, Biochemistry, Pharmacology and Microbiology will be filled by those who are MSc PhD in concerned medical subjects. 2- MSc PhD quota of 30% in Anatomy and Biochemistry is already filled. Eligible MSc PhD candidates can apply in department of Physiology, Pharmacology and Microbiology.		

• **Enabling Faculty from Government Hospitals:** Non-teaching government hospitals with **220+ beds** can now be designated as teaching institutions. Existing specialists with **10 years** of experience can be appointed as **Associate Professors**, and those with **2 years** can be appointed as **Assistant Professors**—without the mandatory Senior Residency— provided they complete the **Basic Course in Biomedical Research (BCBR)** within two years.

• **Expanded Recognition of Experience:**

o **Senior Consultants** with three years of teaching experience in NBEMS-recognized government medical institutions are eligible for the post of Professor.

o **Diploma holders** working as Specialist or Medical Officer in the respective departments of a Government medical institution or Government medical institution running National Board of Examination and Medical Science recognized teaching programme having cumulative experience of **six years**, shall be eligible for the post of Assistant Professor.

o **Counting of Teaching experience**- A cumulative period of up to five years served by a faculty member in the NMC or a University or State Medical Council or medical education department or medical research related Government organization, shall be deemed as teaching experience.

Qualification for selection of Designated Assistant Professor

- A non-teaching Consultant or Specialist, possessing postgraduate medical degree, working for at least two year in the concerned specialty in the minimum 330 bedded non-teaching Government Hospitals shall be eligible to be designated as Assistant Professor and be absorbed permanently, if that Hospital is being converted into a Government Medical College for imparting undergraduate medical education. The subsequent promotions to higher teaching designation would be as per these regulations. Provided further that this would only be a one time provision and so absorbed teacher should not be transferred from that institution for five years. The subsequent appointment of any faculty would be as per these regulations.
- **Stand-alone Postgraduate medical institution:** Consultant or specialists having the required postgraduate degree and experience or working in the concerned specialty/super-specialty department for a period of not less than 2 year in the institution or hospital, not attached to any medical college, where postgraduate teaching is being imparted as per section 9.3 of the Postgraduate Medical Education Regulations, 2022. Shall be eligible to be equated as an Assistant Professor in the department concerned.

This has to be confirmed by the affiliating University. The subsequent promotion to higher teaching designations would be as per these regulations.
